Patrick McFarlane

EMMC Family Medicine Center

895 S. Union Street, Ste 12

Bangor, ME

207.795.4077

pmcfarlane@emhs.org

We have integrated ACE screening, adult experiences of violence, and resilience questions into our electronic medical record and train the physicians to provide assessment and interventions of such.

Patty Hamilton

Bangor Public Health
103 Texas Avenue
Bangor, ME
207.992.4550
patty.hamilton@bangormaine.gov

We predominately support having public health nurses employ ACE screening during home visits and focus on enhancing resiliency as the next step.

Shirley Kirkpatrick

RSU 68
63 Harrison Avenue
Dover-Foxcroft, ME
207.564.6535
skirkpatrick@sedomocha.org

I am the clinical supervisor of a day treatment program in a public school in Piscataquis County. I regularly talk about ACEs in weekly supervision of the Behavioral Health Professionals working with students.

Sue Mackey Andrews

Helping Hands with Heart
3 Shore Road North
Dover-Foxcroft, ME

sdmandrews@gmail.com

The focus of the HHH collaborative is to review the issues, challenges, opportunities and partnerships that exist in our county, which follows five school districts which involves some of both Penobscot and Somerset counties as well as all of Piscataquis County. Our focus is how ACEs affect all populations in our region, and we target education, awareness and advocacy as our key efforts designed to improve the lives of all residents.
